Re: Soverain Software LLC v. CDW Corporation et al.

Dear Tom:

Thank you for your letter of yesterday inquiring about summaries of witness testimony. We had planned to provide this with the Joint Pretrial Order, however, we are providing it to you today and will include it in the Joint Pretrial Order.

We will not be calling Mr. Mackie. We will be calling Mr. Trevor. The summary of his testimony follows.

Summary of Trevor Testimony

Based on personal knowledge, Mr. Trevor will describe the operation of the CompuServe Mall prior to May 1994, its public availability, and its commercial success.

Mr. Trevor will explain the means by which CompuServe Mall customers could select more than one item during a single visit to a given merchant's online store prior to checkout (arranging for payment and shipping). In particular, Mr. Trevor will describe the files that accumulated customer selections at the CompuServe servers prior to checkout.
